

## **POSITION DESCRIPTION**

### **AM3557 - Senior Communities & Social Performance Coordinators (2)**

Our Client, an international mining company is seeking to recruit two (2) experienced Senior Communities and Social Performance Coordinators to conduct community affairs activities at exploration projects in PNG. The positions are offered initially for a 12-18 months contract. The Candidates will work a FIFO roster from home base, travelling to the various exploration projects as required.

The positions report directly to the PNG Project Manager, with close support from the internal Communities and Social Performance Senior Advisor.

#### **Expected Competencies**

- Tertiary level education (Bachelor's Degree essential & Post Grad desirable)
- Minimum of 10 years' community affairs experience working for a Mining or Oil & Gas company at an exploration, project construction or operations phase
- Significant experience leading community consultation programs at the project sites, including successful engagement with provincial administration and implementation of Company policies and procedures
- As this is a field based roll, be able to demonstrate substantial on-the-ground work experience within communities at the project sites.
- Demonstrate strong Health, Safety, Environment and Community values
- Excellent oral and written Pidgin and English
- Very good computer skills
- Hold a current PNG driving licence AND a current PNG passport.

**Applications close on Friday 30<sup>th</sup> June 2017**
