

POSITION DESCRIPTION

PNG Ports Corporation Limited

MK2647 - Senior Business Manager - Lae Port

Lae Port is integral to the future success of port operations in PNG and is a key component of the country's transport infrastructure, handling a significant proportion of national cargo through put. Currently undergoing expansion through a number of major projects aimed at upgrading capacity, Lae Port will continue to play an important role in the future economic growth of PNG.

Based in Lae and reporting to the Chief Operations Officer, this position is at senior management level, responsible for providing supervision and leadership in the overall administration, operation and control of all activities associated with the movement of ships, cargo handling, port operations and the effective implementation of Executive Management decisions relating to sound management of the Port and associated projects. The successful candidate will play a major role supporting current organizational change initiatives designed to improve port efficiency and productivity.

The position also provides guidance on PNG PCL shipping policies and relevant regulations and standards and ensures implementation and compliance with the ISPS code and Port Safety.

Essential Competencies

- Tertiary qualifications in Engineering, Commerce or Management. A marine qualification to International standard is well regarded.
- At least 10 years senior management experience, with at least 5 of those years within either a Stevedoring or Port Management company operating in a multi - purpose facility. Previous management experience in a developing economy with a multicultural workforce is desirable.
- Be a confident and resilient person with cultural sensitivity, strong leadership and communication skills and the ability to proactively manage in a complex environment.

Applications close on 19 March 2010
